

# MONETARY DONATION DRIVE

Thank you for hosting a donation drive to raise monetary support for our families in shelter. By supporting New Life Center monetarily, we are able to have the flexibility to meet the unique and individualized needs of the residents at our shelter at any given moment.

## DRIVE FAQ

### **What is a donation drive?**

Businesses, organizations, communities, and individuals host donation drives to raise funds for the work of New Life Center (NLC). The drive is spearheaded, planned, and run independently of NLC activities with support of a NLC staff person.

### **What will the funds be used for?**

NLC will use donations to provide safe shelter, case management and comprehensive resources for families who have experienced domestic or sexual violence.

### **How should funds be collected?**

Whatever way works best for you. You can direct people to our website, you can receive checks or cash, or if you are a business and have access to a POS system, you can collect donations there.

### **How do I get donations to you?**

You can compile the funds and donate online at [newlifectr.org/donate](http://newlifectr.org/donate) or mail checks to PO Box 5005, Goodyear, AZ 85338. Please indicate that your donation is in support of a donation drive by including the name of the group hosting the drive.

## CHECKLIST

### **Decide**

Decide what your donation goal is and establish a time frame of collection.

### **Promote**

Your communication doesn't have to be complicated - flyers, social media, and word of mouth are perfect ways to inform others about your donation drive. Please see the next page for a flyer template.

### **Deliver**

You can compile the funds and donate online at [newlifectr.org/donate](http://newlifectr.org/donate) or mail checks to PO Box 5005, Goodyear, AZ 85338. Please indicate that your donation is in support of a donation drive by including the name of the group hosting the drive.
